

Advanced Medical Solutions Inc. (AMS) has a current career opportunity for a full time contract Occupational Health and Safety Nurse located in Yellowknife, NT.

About AMS:

Advanced Medical Solutions Inc., Canada's premier medical solutions provider, has been providing quality basic and advanced emergency medical solutions since 1995.

Our Mission:

- Patient Focused Healthcare
- Client Focused Solutions
- Employee Focused Opportunities

Our Vision:

To provide innovative and comprehensive medical solutions to our patients, the communities we serve and our clients - exceeding expectations for service and value.

Our Values:

- **Quality and Safety** – in the services we deliver, the products we provide and the manner in which we do it.
- **Integrity and Respect** – for ourselves, our patients, the communities we serve, our partners and clients.
- **Accountability and Collaboration** – being responsible for all we do and working jointly for the betterment of the communities, patients, partners and clients we serve.

We have extensive experience in remote pre-hospital care. Our health care personnel have the knowledge and resources required to work independently in isolated settings for extended periods while providing unparalleled medical services to industry throughout Canada.

We currently provide services to oil and gas, mining, exploration, construction, and municipal

organizations throughout Canada, including the air ambulance service for the Government of the Northwest Territories and Western Nunavut. As part of our comprehensive service, we provide various levels of health care personnel and facilities, medical equipment, supplies, and emergency vehicles.

Our qualified health care professionals, medical equipment and supplies, and procedures meet and exceed all regulations set forth by the Health Canada, Workers' Compensation Board. AMS is ISO Certified and has Certificate of Recognition (COR) Alberta.
